

2021 AGM Information Notice

All members of Old Ottawa South Community Association (OSCA) are entitled to participate in and vote at the virtual AGM on Thursday 25 November 2021 commencing at 7:30pm.

Pre-registration for the AGM is required and should be completed by Nov 18, 2021.

Register for the AGM [here](#), using the Amilia program. If you have not previously done so, you must first register to use Amilia, according to the instructions [here](#). If you encounter difficulties, please contact luke@oldottawasouth.ca.

OSCA Membership is free, and is available to all adults who are residents of Old Ottawa South. You may register for the AGM, even if you are not yet an OSCA member, or do not know whether you are an OSCA member. Your AGM registration will also be considered as an application for OSCA membership, if required.

Your AGM registration will be reviewed, and confirmation of OSCA membership as well as confirmation of AGM registration will be forwarded to eligible registrants by email. **(If you do not receive email confirmation, you have not successfully registered and should contact luke@oldottawasouth.ca.)**

You will also receive, by email shortly before the AGM date, a personal invitation link (**not for sharing**) permitting you to access the virtual meeting, as well as information for accessing the meeting documents.

The AGM will be held virtually, using the ZOOM platform. If you are new to ZOOM, note that joining the meeting is as simple as clicking the link in the invitation email to follow to pre-registered participants. We request you do this 10 minutes in advance of the meeting's scheduled start so that there is time to admit all pre-registered participants into the meeting. You can also review [frequently asked questions](#) about joining ZOOM meetings.

If you cannot participate in the virtual meeting, but want to support OSCA's legal obligations to hold an AGM, instead of completing the registration form, you are encouraged to submit a proxy; download [here](#). In case of insufficient Member participation at the virtual AGM, proxies will help OSCA achieve the legally required quorum.
