

BOREDOM BUSTERS FOR ADULTS – APRIL 9 EDITION

Music Lovers

- If you're interested in listening to different radio stations from around the world, check out Radio Garden. It's pretty neat! My (Sarah) small town radio station in Killaloe is even there!
- Jeff Tweedy from the band Wilco has an Instagram live show that he has been doing regularly in the evenings. It is him and his family hanging out and playing the odd song as well. Here is an article about the program [Tweedy Family Instagram](#)
- On Facebook, there are several music groups where amateur musicians are posting videos of themselves singing and playing instruments. I'm (Sarah) part of two right now: [An Isolation Country Jamboree](#) (don't laugh) and a [Nova Scotia Kitchen Party](#) group. There are a lot of great musicians posting to this and it's fun to pass the time and appreciate others' talents. I even posted a video in one of them. See if you can find it!
- Finally, if you've ever been to the Laf on a Saturday afternoon, you've seen local legend, Lucky Ron performing. He's been hosting shows live on Facebook recently, so check him out - he's always fun to watch. Here's the link: [Lucky Ron Facebook Live](#)
