Activity Details:

- **Limbo:** When the warmer weather arrives, try water hose limbo (description in link)
- **SPUD:** This game can be played with just a couple of players although it is usually done as a group. If there are just 2 players, you don't need to call out a number.
- **Giants, Wizards, Elves:** This can be played as a family or with just 2 people. Instead of having people join your team when caught, instead have them gain a point for their team. If the person avoids getting caught, no point is given. You can then decide how many points are in a game.
