## Draw the Design for the Support the Firehall T-Shirt

You can use the box below to draw your design. We also accept drawings on white paper or digital designs with a white background.

Use a thick marker (Crayola, Sharpie, etc.) and 2 colours at most.

### Rules and Information:

Contest is for children aged 12 and under. Since we are printing these designs onto t-shirts, the lines in the drawing should be fairly thick. Once you have submitted your design, it becomes property of OSCA—meaning that we may need to make slight alterations to the artwork in order to be able to use it (thickening lines, adding font, etc.).

All participants must have parental consent before submitting and provide us with their contact information. The winner of the contest wins a free t-shirt with the design they created. Other submissions may be used in future promotion materials for OSCA (Camp Guides for example). Send your design to [info@oldottawasouth.ca](mailto:info@oldottawasouth.ca)
